

A Home Warranty Provides...

repair coverage for mechanical failures on major systems and appliances. You'll appreciate the savings, convenience and peace of mind that comes with home warranty protection.

Plan for Convenience

Call and we'll match you with a pre-screened licensed professional, so you won't need to waste time searching the internet hoping for the best.

Plan for Peace of Mind

A HomeGard Warranty provides assurance that you won't have to worry when a covered appliance or system breaks down, and that you will be provided with a repair professional you can trust.

The Home Warranty You Can Count On

24/7 Customer care

Covers appliances of any age

Subject to underwriting criteria. See terms, conditions and limitations in your home warranty – non covered charges may apply.

Form 01 Revised: 11/2018
